

CRAIG TWISS

ABOUT ME

My first experience of bouldering was here at Depot Climbing, my passion is for indoor and outdoor bouldering but amazing views and hard sessions at the crag are unbeatable.

I enjoy sharing my knowledge and experience; encouraging friends and helping them send their project. I truly love this sport and the camaraderie between climbers.

WHAT CAN I DO FOR YOU?

After my first bouldering session I was hooked! Since that day I have sought to improve my technique and strength to send my outdoor projects.

Skateboarding for years helped me to develop balance and precise footwork, probably my biggest strengths.

With an eye for detail, I can help you improve your footwork and route reading.

Sometimes the smallest details can make a big difference, let's break through your plateau and send some projects.
